

TRAVEL & TOURISM SUBJECT GUIDE

BOOKS

Books are classified using the Dewey Decimal Classification system making it easier for us to organise related subjects together on the shelves. This in turn makes it easier for you to find the book you need.

Not all books relevant to your course will be located in just one area, so you may have to look around the library to find what you need.

Below is a selection of class numbers that will be of relevance to you:

Health & safety	331.82
First aid	616.0252
Effective management/leading a team	658.4
Customer care	658.812
Travel & tourism	910.06
Cruise travel	910.3875
Airlines & airports	910.3877
Event management	910.658
World travel	910.940
Travel guides	910.941
